

It's Mowing Season!

Spring is here and there is lots of grass for maintenance to mow. Please have your yards clean and free of debris, toys, etc.

If you hear a mower close by please double check your yard for anything that could be in the way of the mowers.

Thank you!

STUDENT OF THE MONTH

Hi my name is Janyah Waller. I am 13 and am in 8th grade. And I was the winner for the 2021 MLK Writing contest. I entered the contest because I thought it would be interesting to try. I never thought that I would win. I am not taking all the credit, I want to thank Mrs. Wendy Srivastava, a teacher at Drakes Creek Middle School, to give pointers. And I would also like to thank Amber Moye, one of Mrs. Srivastava's old students, who is now a teacher, for helping out also. The prize I was awarded was a \$400 amazon gift card.

Kentucky Pandemic Electronic Benefit Transfer (P-EBT)

Get help buying groceries during the COVID-19 Emergency

Introduction

Pandemic Electronic Benefits Transfer, also known as P-EBT, provides a stimulus to households with children eligible for **free or reduced-price school meals through National School Lunch Program (NSLP)** during the COVID-19 Response.

During the COVID-19 State of Emergency, Kentucky is providing benefits to households with students who attend public schools or private schools and qualify for free or reduced-price meals if the student's school district has a virtual or hybrid learning model.

P-EBT stimulus payments will begin the week of March 15, 2021. The stimulus payments are issued for past months covering October 2020-present and will continue through the rest of the school term (May 2021).

Am I eligible for the P-EBT Stimulus?

Students on a full-time, in-person schedule **ARE NOT** eligible for the P-EBT stimulus.

Does your student attend school in-person?

YES

NO

Was the student's school district schedule only virtual, or a hybrid schedule (both virtual and in-person)?

VIRTUAL **HYBRID**

Students who receive free and reduced-price meals through NSLP receive **\$136.40 (20 days)** of P-EBT stimulus.

Students who receive free and reduced-price meals through NSLP receive **\$81.84 (12 days)** of P-EBT stimulus.

How will I receive my P-EBT Stimulus?

Households enrolled in SNAP and who have an active EBT card will be issued P-EBT stimulus payments on the existing EBT card.

Households that **do not** receive SNAP will be issued P-EBT stimulus on their existing card or if you're a first-time recipient a P-EBT card will be mailed to you. If you lost your card or need a replacement, contact 1-855-306-8959

For more Information or FAQs visit the [CHFS P-EBT webpage](#) or call 1-855-306-8959
